If you are in business as a **sole trader** and you are applying to be **paid under deduction**, you must only use this form, CIS301.

If you are in business as a **sole trader** and you are applying to be paid **gross**, please ask for form CIS302.

If your business is a **partnership**, use form CIS304 to register for either payment under deduction or gross payment.

If your business is a **company**, use form CIS305 to register for either payment under deduction or gross payment.

If you do not register for the Construction Industry Scheme, contractors are required by law to deduct a bigger amount from any payments made to you.

Registering online

You can also register to be paid under deduction for the Construction Industry Scheme online.

To use the internet service, go to www.hmrc.gov.uk/new-cis and follow the instructions.

Payment under deduction

Before making the first payment to you as a subcontractor, every contractor has to verify your payment status with us. If you do not qualify for gross payment a contractor, on making any payment to you as a subcontractor, must:

- make a deduction on account of your tax and NICs liabilities, and
- give you a statement of deductions made each income tax month as evidence of payment and the deduction he or she has made.

The contractor must give you this statement within 14 days of the end of the tax month in which payment and the deduction is made.

A tax month runs from 6th of one month to 5th of the next, for example 6 April to 5 May.

If the contractor does not give you a deduction statement you should ask for one. You will need these statements to complete your Tax Return at the end of the year.
